Dear Dr Lais,

In returning the corrected transcription of my interview with you to you, I write also to commend you to others whom you might wish to interview for your research. It was a pleasure to meet you, and I believe that the research you are conducting into perceptions of the Prophet Mohammad and Islam is important and has a part to play in community building and cohesion and reconciliation.

I wish you well with your project.

Yours sincerely,

*+ Geoffrey Rowell*
